Profile:

Versatile and ambitious professional with a diverse background in construction and a burgeoning interest in technology. A quick learner with a strong work ethic, seeking new opportunities to apply skills and expertise in a dynamic and challenging environment.

Education:

Coopers Coburn and Company School 2004

Udemy: Web Development 2023(Colt Steele)

Udemy: Web Development 2024(Dr Angela Yu)

Work Experience:

- Ductworker (Labourer): 2004
- Kitchen Fitter's Mate: 2005
- Electrician's Mate: 2006
- Dry Lining: 2007
- Bricklayer (HodCarrier): 2009
- Plumber's Mate: 2010
- Scaffolding (Labourer): 2018
- Roofing (Labourer): 2021

Skills:

- Proficient in various construction tasks including kitchen fitting, electrical work, plumbing, dry lining, roofing, scaffold labor, ductwork, and bricklaying.
- Strong problem-solving abilities and analytical skills honed through diverse roles in construction.
- Quick learner with a demonstrated ability to adapt to new environments and technologies.
- Developing skills in web development, including HTML, CSS, JavaScript, Node.js, Express.js, React.js, and Web3.

Professional Development:

- Self-studied web development for one year, focusing on building a solid foundation in front-end and back-end technologies.
- Actively pursuing further education in blockchain technology and decentralized applications (dApps).

Objective:

Seeking freelance or full-time opportunities where I can leverage my diverse background in construction and burgeoning skills in technology to contribute effectively to a dynamic team. Open to exploring new roles and industries to further expand my skillset and pursue personal and professional growth
